Challenges

WHAT WE DID / WHAT WE LEARNED

A thin, light brown L-shaped line that starts with a horizontal segment extending to the right and then turns 90 degrees downward to become a vertical segment.

- Scrum skills/Kanban
- Team Agreement/Contract
- Peer programming
- Mob programming
- One-on-ones
- React and web skills

V-STARS

A thin, light brown L-shaped line that starts with a horizontal segment extending to the right and then turns 90 degrees upward to become a vertical segment.

Thank you V-STARS
